

Privateer® SWDG Turf Surfactant

Soluble Water-Dispersible Granular

Our unique formulation includes our industry-leading seaweed extract for its many benefits related to plant fitness and stress management.

Privateer SWDG is also phyto-safe.

Benefits:

- Assists in the rapid recovery of drought/stressed turf and LDS
- Provides consistent uniform soil moisture and controls soil/water repellency
- Improves the efficacy and control of fertility & pesticide programs
- Greatly improves penetration of applied water and rainfall
- Improves irrigation efficiency
- Increases nutrient uptake
- Increases plant vigor and stress tolerance
- Promotes faster and more complete root development
- Aids water conservation

For curative or program use.

Use Rates:

Apply 2.5 lbs./1000 sq. ft. every 30 days or as needed for LDS control.

Packaging:

50 lb. bag

Ocean Organics...

is synonymous with plant fitness. We design materials that maximize plant health, hardiness, performance, stress tolerance and quality. The Ocean Organics Surfactant Line provides you with ideal playing conditions and the uniform root zone soil moisture that every plant craves.
