

Mariner® SWDG

Turf Surfactant

SOLUBLE WATER-DISPERSIBLE GRANULAR

Mariner® SWDG provides consistent uniform soil moisture and controls soil/water repellency while improving the efficacy and control of fertility and pesticide programs.

Our unique formulation includes our industry-leading seaweed extract for its benefits related to plant fitness and stress management.

Mariner SWDG is phyto-safe and uses a patented granular dispersing technology.

For both long term (90 days) or short term (30 day) use.

NON PLANT FOOD INGREDIENTS

Active Ingredients:

84% Polyoxyethylene-polyoxypropylene block copolymer

4% Alcohols, C11-14-isoalcohols, C13-rich, ethoxylated

12% Seaweed Extract (microbe food)

Use Rates

For Short-Term use (30 days control):

Apply 2.5 lbs./1000 sq. ft.

For Long-Term use (90 days control):

Apply 7 lbs./1000 sq. ft.

Application

Following product application, irrigate with enough water to move active ingredients into the root zone. Apply 2/10 inch water for fine textured soils, 1/3 inch for sandy soils.

Storage and Disposal

Store in a dry location. Reclose after use. Do not freeze. Use product within 12 months of original purchase date. Disposal must comply with local, state and federal regulations.
