

The Right Stuff®

NATURAL-BASED FERTILIZER AND SOIL CONDITIONER

The Right Stuff® contains a diverse range of nutrient-rich ingredients and a unique blend of Li'l Buddies® microorganisms that promote root growth and plant vigor.

- The Best Natural Ingredients
- Superior Formulation
- Safe; Easy-to-Use; No Dust
- Proven Results
- Environmentally Beneficial

How To Use

Apply to soil after tilling or turning. Work in with garden rake. Then plant seeds or plants. If The Right Stuff® is your only fertilizer, apply 3-4 times during growing season. Or use for initial plantings, then follow with regular applications of Ocean Organics® other fine fertilizers.

Lawns:

Use 10 lbs per 1,000 sq ft (5 kg per 100 sq m) 4 times per season.

Gardens:

For small areas: Use 1 lb. per 100 sq ft (One pound of product is roughly 3 cups.)

For larger areas: Use 10 lbs per 1,000 sq ft (5 kg per 100 sq m) early in the season. Can be reapplied by broadcasting or

INGREDIENTS: Proprietary blend of naturally occurring microbes

sprinkling around plants where gardens are already established.

Citrus, Pine and Other Trees:

Use 1 cup per inch diameter of trunk. Sprinkle around tree inside drip line starting at least 1 ft from trunk and work gently into soil, or auger 4-6 in deep holes at 1 ft intervals and fill.

As a Compost Builder:

Add 2-4 lbs per cubic yard while adding waste, leaves or clippings.

Roses:

Use 1/2 cup in bottom of hole for new bushes. Mix with existing soil in base of hole. For established plants: use 1 cup per average size bush in early Spring. Sprinkle liberally around base of plants and work into soil. Follow with Grand Prize® fertilizer in the spring and summer.

Storage

Store in a dry location. Keep out of reach of children. Reclose after use. Do not freeze.
