

Turf Surfactants with a Difference

Mariner® SWDG Turf Surfactant

Soluble Water-Dispersible Granular

Our unique formulation includes our industry-leading seaweed extract for its many benefits related to plant fitness and stress management.

Mariner SWDG is also phyto-safe.

Features:

- Provides consistent uniform soil moisture and controls soil/water repellency
- Improves the efficacy and control of fertility & pesticide programs
- Greatly improves penetration of applied water and rainfall
- Improves irrigation efficiency

- Assists in the rapid recovery of drought stressed turf
- For both long (90 days) or short term (30 day) use

Benefits:

- Increases nutrient uptake
- Increases plant vigor and stress tolerance
- Promotes faster and more complete root development
- Aids water conservation

Use Rates:

30 Days: Apply 2.5 lbs./1000 sq. ft.

90 Days: Apply 7 lbs./1000 sq. ft.

Packaging: 50 lb. bag

The Next Generation of Surfactants

You don't have to sacrifice optimum soil moisture to achieve firm and fast conditions on top... The Ocean Organics Surfactant Line provides you with ideal playing conditions and the uniform root zone soil moisture that every plant craves. Our proprietary surfactant formulations contain EO/PO Block technology to cure water repellency, a biostimulant to foster plant fitness, and a specialized penetrant.

Using our high-performance surfactants you can optimize moisture uniformity and increase the efficacy and control of your fertility and pesticide programs while conserving water.

Call your local Ocean Organics distributor today.

Ocean Organics is synonymous with plant fitness. We design materials that maximize plant health, hardiness, performance, stress tolerance and quality.
