

Privateer™

SOIL SURFACTANT

Privateer™ treats Localized Dry Spots (LDS) while increasing moisture uniformity in the root zone. Can be used as a curative or as a monthly program product.

Application & Use Guidelines

Apply 4 fl oz per 1000 ft² in minimum of 2 gal of water every 28 days. After application, irrigate sufficiently to remove product from leaf surfaces.

- For coarse soils/sand root zones: Use 1/3" irrigation water
- For fine textured soils: Use 2/10"-1/4" irrigation water

Mixing Directions

Mix **Privateer** in spray tanks with water and proper agitation.

Active Ingredients:

45% Alkoxyated polyalkylene glycols
39% Propoxyated polyethylene glycols
4% Polyoxyalkylene glycol alkyl ether
12% Seaweed Extract

NON PLANT FOOD INGREDIENTS

CONDITIONS OF SALE: *The Manufacturer warrants only that product conforms to label description. Buyer and user agree to accept all liability associated with handling, use, and disposal of this product.*

Compatibility

Ocean Organics® **Privateer** is compatible with fertilizers and most turf chemicals but should not be mixed directly with other chemicals. *Do not* combine **Privateer** in a spray tank with pesticides or fertilizers unless prior use has shown the combination to be physically compatible, effective, and non-injurious under local conditions.

Storage and Disposal

Store in original containers. Keep container tightly closed. Protect from freezing. If product freezes, warm to room temperature and agitate before use. To avoid contamination, do not return previously mixed product to original container. Use product within 12 months of original purchase date. Do not reuse empty container. Small spills can be washed away with water. Large spills should be contained and salvaged. Disposal must comply with local, state and federal regulations.

FOR PROFESSIONAL USE CAUTION. KEEP OUT OF REACH OF CHILDREN.

Avoid contact with eyes and skin. May cause serious eye damage. Wear chemical resistant goggles and gloves. In case of contact, flush eyes/skin with large amounts of water. If irritation persists, seek prompt medical attention.

May be harmful if swallowed. Do not ingest. In case of ingestion, drink two glasses of water and seek medical attention.
